AVIVA INVESTORS

Our Cat A fit out of the 15th floor provided prime Cat A office space ready-to-market. Works comprised the installation of new M&E services, as well as modifications to the existing sprinkler and fire alarm systems. We installed a new raised access floor, redecorated throughout and refreshed the existing welfare facilities to a high standard.

ROYAL COLLEGE OF MIDWIVES (RCM)

Meeting the requirement for a modern and fun working environment for staff and members, we created a new HQ for the RCM within an old warehouse building comprising office space with a creative hub and breakout area. The fit out also included adaptations to the existing M&E services, ceiling repairs, partitions, joinery, flooring and decorations.
